24" French Door Beverage Center - SBC051D1BSS

PRODUCT FEATURES

ELIMINATE STORAGE INCONSISTENCIES

Dual temperature zones bring an end to tough multi-beverage storage decisions. Wine and beverages require customized levels of cool, so two independently controlled sections, accessible through classic French doors, allow proper temps to be set for your distinct selection.

BANISH ICE BUILD UP

The frost-free, fan-forced cooling system in this unit makes unsightly and often damaging ice accumulation obsolete. The efficient defrosting system ensures you'll never deal with over-frozen frustrations.

NEVER BE LEFT IN THE DARK

The true, blue LED track lighting that illuminates the interior of this unit exquisitely displays your wine without any damaging heat. It is 50% brighter than the previous model and now offers 3 lighting options

*Where some see room for an appliance;
We see room for an experience*
