

DF304

FEATURES

Cook at higher highs and lower lows with four dual-stacked, sealed burners that produce up to 20,000 Btu and deliver as low as 300 Btu

Clean up splashes and spills easily with the seamless, sealed, black porcelain-coated burner pans

Assures predictably delicious results with a variety of modes including Convection Roast, Proof, and Dehydrate

Control heat and airflow expertly as dual convection creates just the right cooking environment for everything from Cornish hens to cherry pie to butternut squash

Leave nothing to chance. Our temperature probe alerts you when your dish has reached the desired temperature for worry-free, delicious results

Includes options such as self-clean, delayed start, timed cook, Sabbath mode, and more

Operate easily with a touchscreen control panel that rotates out of sight when not in use

Re-ignites flame automatically with our spark ignition system for improved temperature control and added safety

Move pots and pans around easily with continuous cast-iron grates

Find your kitchen style with a choice of iconic red, black, or brushed stainless control knobs

See food clearly with bright interior halogen lights and large double-panel glass door windows
